

EXECUTIVE OFFICE OF THE PRESIDENT
BUREAU OF THE BUDGET
WASHINGTON 25, D. C.

April 4, 1962

Honorable John A. McCone
Director, Central
Intelligence Agency
Washington 25, D. C.

Attention: Mr. John S. Warner
Legislative Counsel

Dear Mr. McCone:

In continuance of the practice of recent years, the facilities of the Council of State Governments are again being made available for circulating legislative proposals which the Federal agencies wish to suggest for consideration by the State legislatures in their 1963 sessions.

The coordination of this program is carried on by the Bureau of the Budget. Any proposals for State legislation which your agency may wish to have circulated among the State legislatures by this procedure should be forwarded to the Bureau of the Budget. This office will request the comments of other interested Federal agencies, advise you of the relationship of your proposal to the program of the President, and when appropriate, forward the proposal to the Committee of State Officials on Suggested State Legislation, Council of State Governments, for consideration. Proposals approved by the Council's Committee will be circulated among State legislatures at their next sessions.

In order to facilitate and expedite the procedure for bringing Federal proposals to the attention of State legislative bodies, your attention is invited to the Index to Suggested State Legislation: Programs for 1941-1957 (Council of State Governments, Chicago, December 1956), containing appropriate reference to previous referrals from Federal agencies. The programs for the years since 1957 are contained in separate volumes entitled, Suggested State Legislation: Program for 1958, 1959, 1960, 1961, and 1962. These volumes should be in your files since they were included with our letters of those years, and a copy of the 1962 volume is enclosed. Unless a suggestion emanating as a result of this communication is

sufficiently different to necessitate its inclusion, it will not be necessary to restate items previously given circulation.

We have been advised that the Committee of State Officials on Suggested State Legislation will meet in Denver, Colorado, on June 20-21, 1962. In consequence, your proposals should be submitted to the Bureau of the Budget by April 16, 1962, to permit time for coordination with other Federal agencies and advance consideration by members of the various panels of the Council's Committee. Each proposal should be submitted in draft form and we would appreciate receiving four copies of the draft and each accompanying statement. (At a later date, it will be necessary to furnish copies of each proposal to the Council Committee for its consideration, and it would be advisable to retain the duplicating plates if they have been prepared.)

In the event that there are any questions concerning this procedure, please communicate with Mr. Thomas J. Graves of the Bureau of the Budget staff (Code 113 - extension 2795).

Sincerely yours,
